Dear Faithful Friends,

I am pleased to announce that we are lifting the mask and distancing policy that was imposed throughout the course of the pandemic. We are following the governor's latest directive and as of Sunday, June 27th we will not require anybody to wear a mask to church services. The pews will be set back in the normal arrangement. I encourage everyone to follow their own convictions regarding the matter of seating and mask wearing. If you feel the need to continue with the CDC guidelines of distancing and mask wearing then be at liberty to do this. There is ample room in the church to accommodate the distancing if that is your personal desire but there is no required seating arrangement.

The devil would enjoy dividing us on this non-biblical issue so I hope that we will all respect one another's varying positions. There is no need for anyone to ask another whether they have been vaccinated or not. These are personal decisions and should be respected. We are in church to celebrate our common faith not to degrade anyone who does not hold a similar personal belief about vaccines and the severity of the pandemic.

As pastor of the flock, I have a responsibility to maintain a safe and healthy environment for those who attend. We also have a neighborhood watching us and we need to be a responsible entity in our community. Further, as Christians we have a biblical injunction to "be subject to principalities and powers, to obey magistrates" Titus 3:1. I think we have accomplished these objectives in the last year and a half and I thank all of you for your patience and compliance through this difficult time.
